

Entry Requirements into Malaysia (including Sabah and Sarawak)

- Download and update the [MySejahtera app](#) within a week before departing for Malaysia.
 - Travellers may refer [here](#) for Guidelines to Install and Register MySejahtera app.
- Complete the pre-departure form via the “Traveller” icon in MySejahtera app:
 - Travellers with overseas-issued COVID-19 vaccine certificates must verify their digital COVID-19 vaccine certificates on [MySafeTravel](#).
 - Fully vaccinated travellers will be issued a “Digital Traveller’s Card” and reflected on their MySejahtera app.
 - Partially or unvaccinated travellers will be issued a digital Home Surveillance Order (HSO) on their MySejahtera app.
 - Travellers who do not have a traveller card display, HSO instructions, and “High Risk” individuals on the MySejahtera app are not allowed to continue their journey.
- The following traveller categories must undergo a professionally administered RTK-Antigen or RT-PCR test within two (2) days before departure to Malaysia. They are also required to take a professionally administered RTK-Antigen with a [private health facility or clinics](#) approved by MOH either physically or online within 24 hours upon arrival in Malaysia.
 - Partially vaccinated and non-vaccinated travellers aged 18 years and above
- These categories of travellers are exempted from the abovementioned (item 3) requirements:
 - Fully vaccinated travellers aged 18 years and above
 - Travellers who have recently recovered from COVID-19 within the past six (6) to 60 days
 - Travellers aged 17 years and below (based on year of birth), regardless of their vaccination status

Note: The requirements and policies apply to all travellers including those travelling for Umrah, Hajj, and foreign workers. Umrah and Hajj travellers are required to get their COVID-19 vaccine booster dose prior to departure to Saudi Arabia.
